REF. H1106
DIGITAL FACIAL STEAMER

TECHNICAL FEATURES

Power:	800 W
Frequency:	50/60 Hz
Voltage:	220-240 V
Capacity:	0,7L
Weight:	5,2 kg

SPECIFICATIONS

- Adjustable height: ± 37 cm
- Stable base with 5 wheels
- Digital interface
- Automatic water level detection
- Vapor volume adjustment
- Adjustable timer
- Keep warming function
- Ozone function
- Essential oil function
- Adjustable arm 140° by left-right direction
- Adjustable arm 60° by forward-backward
- Adjustable head, with 360° angle adjustment
